THE "APPEAL'S" POSITION.

A writer who calls another a coward and liar from behind the safe retreat of a nom de plume is not doing anything to boast of. The APPEAL is calling no names in this controversy. We are simply presenting the facts from the records and quoting the law.

If what we say is untrue, anyone who is aggrieved can collect full damages for libel. The writer is not seeking personal quarrels, does not carry any weapons, will pay no attention whatever to newspaper abuse, will not walk five steps to seek a personal quarrel or retreat five inches to avoid one.

We propose to devote the balance of this summer fighting the lawless corruption of Ormsby county in the interests of the taxpayers.

No man who has been honest need have the slightest fear of the APPEAL.

If we "mangle the law" we would like to have our contemporaries, who are published in behalf of the ring, correct us, we will consider ourselves under obligations to any one who will correct us when we misquote. Abuse of the APPEAL will not help the members of the ring in the slightest. The best way to meet the issue is to disprove the statements and keep your temper.

Republicans Please Read.

The following item are from the New York Press the leading Republican newspaper of the nation.

The head of the free silver snake has been effectually bruised this time. The serpent is of no use for show purposes any more, but his hide might be taken off and tanned and worked into coin purses as souvenirs of his taking off.

Wednesday's events in Congress prove that the Republican party is the party of honest money as clearly as they prove that the Democracy is the party of dishonest coinage. The man or the party that imagine that the conservative business interests of the country will forget or overlook this important showing in the coming campaign will make the prize political blunder of the year.

The free coinage statesmen will kindly observe that the honest money advocates in Congress have hung out a sign inscribed: "Crank silver bills killed while you wait."

The Republicans took the lead and forced the fight against free silver in the House on Wednesday. It is as true now as it was thirty years ago that the Republican party stands between the nation and Democracy and disaster.

This is simply the utterance of one paper, but 99 out of every 100 Republican members of Congress the credit of strangling the Stewart bill while the Democratic papers say the Democrats knocked it out. The fact is, Wall street defeated the measure, and as that gentleman owns both parties neither claim is out of order.

Exactly Our Idea.

It might be well to state, once for all, that the law which Davis quotes has absolutely no bearing whatever upon Mr. Bray's claims. The law applies only to contracts and orders for supplies. Mr. Bray has never, since he became a Commissioner, been a party to any contract with the county and has never presented a bill against the county for any money under a county order for supplies.—News.

The APPEAL is glad to see the News has read the law correctly.

It has no bearing on Mr. Bray, whatever, and the APPEAL never claimed that it had, yet Mr. Bray has been excusing himself from the charges made against him by quoting the very law that the News claims has no bearing on him.

Mr. Bray and the News had better get together some day and have a better understanding, that the defenses may tally better.

Pasturage.

On the Duffy and Kirman ranches which contain over 700 acres, being the largest body of pasture land in Ormsby county. As the waters from Clear Creek flume, Ash Canyon and Lake View flow through the property it is the best watered. From the extended range it is eminently fitted for stock cattle and horses. Two bulls, a Holstein and a Jersey, are kept for the service of stock. A limited number of milch cows will be driven from and returned to the city daily. Season commences April 15th. Terms reasonable.

WILLIAM SMYTHE, Lessee.
